The fox came  
After looking at  
the proposal, I  
was trembling  
with fear, but...

A Few Days  
Later

can't

When talk of  
making a  
Drama CD began  
because I had  
never thought it  
was a possibility,  
my reaction was  
quite slow.

To me, it was a  
bright, glittering  
world that was  
far, far away...

And then, the  
fox showed up  
and the world  
was no longer  
so far away.

I thought if  
my heart was  
going to be  
crushed...

I was in the  
middle of going  
to a meeting with  
the owner.

Wasn't the  
meeting  
important?

Actually, I was  
going to be  
there for a  
while.

WILL THEY TURN INTO A SECRET TALK MOVIE?

Some place  
in the city...

The first  
day

The  
recording  
of  
Scarlet

How  
much  
did it  
take  
to  
record  
it?

The sudden  
change in  
these people  
made me hold  
my breath

What's going  
on?

First, a test  
was held. I had  
to listen to  
various voices  
of various  
types.

24. The things I'm writing are  
my own first impressions,  
so please pardon me (smile)  
I don't actually talk to them...

A very nice, sweet  
and kind girl  
who is very  
kind to me  
and everyone  
around her.

A cool girl  
who is very  
kind to me  
and everyone  
around her.

I don't  
know her  
name, but  
I don't  
know it.

It was  
Tanner-con's

Some there  
wouldn't say  
Tanner-con  
wasn't a  
moment  
before the  
end...

we heard the  
voice of a girl  
who was  
shouting after  
Ogo. It was  
really quiet.  
The VOICE

In the middle of  
the text after  
Tanner-con  
and Ogo-con  
were pushing  
their lines.

Are you  
an M?

I was surprised  
with my surprise  
that I didn't  
know I was  
laughing and  
not all right. But  
at that moment

By the time, I had  
already forgotten all  
about the report...

An unexpected voice full  
of excitement that  
would make you cheer...  
without a second  
thought, the words "He's  
right now..." bubbled  
out of my mouth.

During the debate  
stage, and while I was  
following  
them... I had...  
I had...

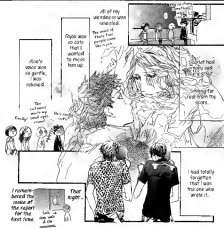

and then,  
that  
particular  
moment...

By hearing  
Ogo's  
telling voice  
and Ogo's  
telling voice, I  
started to  
point at  
them

The  
first  
moment

The two  
people  
reached  
each other.  
The better  
scene  
continued.

The time, I had not forgotten about the report and now wrote about it.

There were nearly 500 people in the One Night Stand group and it was a truly memorable

From the beginning to the ending of that scene...

The content of One Night Stand which I had forgotten...

And then, one by one...

Thank you very much

The numbers decreased

11:11

I got infected with the excited atmosphere that the voice actors stopped up

We started with the feet and everybody was enthusiastic

I saw (heard) it.

On stage / A scene

The scene that came

Then

From this point they went off out

And we started to enter the scene of only these two

Something incredible.

**WAS  
SUPER  
AWE-  
SOME**

She's looking  
really good  
and ready to  
go on.

"Years  
of the  
cure."

The extent  
of it...

"And  
cure."

"Tom  
I know  
Tom."

It just looked  
like she was  
really happy.

The whole  
point of  
this is to  
show that  
she's really  
happy.

The sign  
after the  
accident is...

At the  
moment  
she's  
looking  
really  
good  
and  
ready  
to  
go  
on.

Overhead

The sign  
after the  
accident is...

To think that  
you'll be  
happy  
about it  
at the  
end of  
the  
accident.

Afterward  
Editor-  
some.  
This is the  
first time  
I've been  
happy in  
this way.

I was  
being told  
that

Then, Hideo Matsuo-san appeared in his low voice and it was so sweet it felt like a gentle hug.

I couldn't make requests.

After the recording, they came up to talk to me! I was so moved...

The ephemeral voice of Shikoku Chikara-san was extremely relaxing. It was powerful, since the little details...

I didn't see anyone else in a position to change my mind.

I was about...

I was about to say that I was a professional, but I was so moved that I couldn't say that.

Thank you very much.

Please come up.

I was so moved that I couldn't say that.

And on that night, after work I couldn't go to sleep due to the excitement.

I was so moved that I couldn't say that.

Matsuo-san

Chikara-san

I was so moved that I couldn't say that.

I was so moved that I couldn't say that.

This is all thanks to everybody who's reading this!

It's a lucky person who can be moved.

They have made my story into a piece of art that many people will be able to listen to and feel.

As expected from the voices of excellent professionals.

The recording ended with that.

For my heart to be floating so happily when the words poured into my ears like a breeze...

I'm really, really grateful.

Even their scent is so good.

I hope that the scent of my story will be reaching the hearts of everyone.

Afterward, when I was alone...

I was really happy when I was alone.

After the voice actors left the recording room, I was allowed to enter.

Let's start!

We were talking pictures for this report.

This is our story!

The scent left from the voice actors' dialogue is smelled well.

Let's start!

The story is...
